

Q1: Name/Years in Blizzard Program

Jordan Schramel 6 years

Q2: How many balls do you think you have hit off a tee during your Blizzard career? (please be as specific as possible)

I would say I've attended 8-12 practices in the winter for six years. (About 60 practices) I took at least 70 cuts each practice. However, since I love the tee so much I take at most 10 off the tee each practice. During my Lessons with Jesse and Eddie I would use the tee a lot more and had at least 20 each for one. 5 lessons each winter of my career. Throw in some pregame tee action too. Practices+Lessons+Pregame=1300 give or take.
